The Marketplace with fully stocked shelves

Why am I always the last one to know about these things. What did you say? No, why, what's a matter? No wait, Doc, the bruise, the bruise on your head, I know how that happened, you told me the whole story. [20/35]

You were standing on your toilet and you were hanging a clock, and you fell, and you hit your head on the sink, and that's when you came up with the idea for the flux capacitor, which makes time travel possible.

One point twenty-one gigawatts.

I'll call you tonight. whoa, this is it, this is the part coming up, Doc. Yeah, but you're uh, you're so, you're so thin. Right. Good. Have a good trip Einstein, watch your head.
